this collection provides insights into international labor migration in the context of globalization through the lens of international law and national law of some asian countries that are the home countries of migrant workers the main focus of the volume is on challenges regarding international labor migration that some developing countries in asia have been confronted with it investigates and determines current situations in some asian developing countries having the majority of overseas migrant workers it also places some emphasis on national regulatory systems of policies and regulations regarding overseas labour migration from those countries in addition in light of the current situation on international labour migration the chapters outlines some recommendations and solutions for those selected developing countries in asia to resolve existing problems to effectively ensure the protection of the rights of overseas labor migrants and governance of international labor migration in accordance with international standards

thursday april 21 1994

recent trends indicate that european countries are admitting more foreign workers to fill labour shortages caused by ageing populations and the increasing globalisation consequently some european countries have adopted new laws and policies in order to attract both highly skilled and less skilled foreign workers however the legal status of these migrants has become a matter of concern the new measures do not entirely meet the established principles and standards of the council of europe aimed at protecting the rights of migrant workers such as those of the european social charter and the european convention on the legal status of migrant workers this study focuses on the rules relating to the legal status of the main categories of migrant workers admitted for employment in some council of europe member states it considers the important question of whether these national rules are structured in a way to assist migrants in their integration in the host country in terms of granting them a secure residence status and economic and social rights or whether they discourage or even prevent such integration

workers and their families

this insightful book discusses how policymakers define migrant workers status and rights at international and national levels assessing the evolution of the language of rights for migrant workers in international law definition of migrant workers in turkish legislation key political and economic factors on turkish migration policies protection mechanisms that safeguard migrant workers rights it critically examines the policymaking processes at international regional and national levels and evaluates the impact of the values such as universal or ethnocentric values on the definitions of status and rights of migrant workers the chapters evaluate the status and rights of migrant workers through the lens of cosmopolitan moral constructivism and examine the law making procedures and illustrate the dynamism of these processes with the inclusion of various conditions and actors the book dissects the key universal and national values that impact on rights of migrant workers this timely book challenges the rising right wing ethnocentric policy approaches to labour migration to migrant workers rights and problematises the existing legal definitions within migration policies that place the rights of migrant workers into a precarious policy sphere by entering the controversial political debate for labour migration and the policy making realm this book is ideal for scholars and researchers of political science international relations and social policy particularly those focusing on international labour migration and migration policies it will further benefit the policymakers and practitioners working on migration such as un agencies ngos civil societies and local authorities

as the struggle against neoliberalism becomes ever more global just work will be the definitive book on the growing social and political power of one its major forces migrant labor from trade unions in south africa to resistance in oppressive gulf states migrating forest workers in the czech republic and illegal workers organizations in hong kong just work brings together a wealth of lived experiences and frontline struggles for the first time highlighting developments in the wake of austerity and attacks on traditional forms of labor organizing the contributors show how workers are finding new and innovative ways of resisting the result is both a rich analysis of where the movement stands today and a

reminder of the potentially explosive power of migrant workers in the years to come

what happens when local unions begin to advocate for the rights of temporary migrant workers asks michele ford in her sweeping study of seven asian countries until recently unions in hong kong japan malaysia singapore south korea taiwan and thailand were uniformly hostile towards foreign workers but ford deftly shows how times and attitudes have begun to change now she argues ngos and the global union federations are encouraging local unions to represent and advocate for these peripheral workers and in some cases succeeding from migrant to worker builds our understanding of the role the international labor movement and local unions have had in developing a movement for migrant workers labor rights ford examines the relationship between different kinds of labor movement actors and the constraints imposed on those actors by resource flows contingency and local context her conclusions show that in countries hong kong malaysia and thailand where resource flows and local factors give the global union federations more influence local unions have become much more engaged with migrant workers but in countries japan and taiwan for example where they have little effect there has been little progress while much has changed ford forces us to see that labor migration in asia is still fraught with complications and hardships and that local unions are not always able or willing to act

preface to the first edition

are migrant workers needed to do the jobs that locals will not do or are they simply a more exploitable labour force do they have a better work ethic or are they less able to complain is migrant labour the solution to skills shortages or actually part of the problem this book provides a comprehensive framework for analysing the demand for migrant workers in high income countries it demonstrates how a wide range of government policies often unrelated to migration contribute to creating a growing demand for migrant labour this demand can persist even during economic downturns the book includes quantitative and qualitative analyses of the changing role of migrants in the uk economy the empirical chapters include in depth examinations of the nature of staff shortages and the use of migrant workers in six sectors health social care hospitality food production construction and financial services the book s conceptual framework and empirical findings are of importance to academic and policy debates about labour immigration in all high income countries the final chapter presents a comparative analysis of research and policy approaches to assessing labour shortages in the uk and the us it examines the potential lessons of the uk s migration advisory committee mac for current debates about labour shortages and immigration reform in the us the book will be of significant interest to policy makers stakeholders academics and students

this study reviews and analyses existing national legislative and administrative provisions and bi lateral agreements regarding social welfare services for migrant workers and their family against the background of relevant international instruments the following topics are examined under three chapter headings conditions for the reunion of families social services in the country of employment education and vocational training of children housing health cultural and religious activities etc and social services in the country of origin help with

recruitment procedures emigration formalities preparation for life abroad assistance for family remaining in the home country the study takes into account the changed conditions of international labour migration since 1973 with the virtual stoppage of recruitment by western european countries and the increasing reliance of middle eastern countries on foreign manpower legislation and policies in the countries examined show that international instruments by the means cover all legal aspects of the welfare of migrant workers are often too general and therefore too weak to achieve the intended goals and are seldom fully applied even when ratified by all the states concerned bilateral agreements and national legislative and administrative regulations are labour demand and supply oriented dealing with the migrant as a worker only and not as a human being and make no provision for legal security equality of opportunity or protection from discrimination the report stresses the need for collective action to induce governments to assume their commitments under existing international instruments and to revise and supplement these instruments to make them more responsive to the needs of migrants

central to this edited volume is the legal position and the labour situation of non eu and eu low waged migrant workers towards a decent labour market for low waged migrant workers presents ground breaking research on policies and practices in search of striking a right balance between the economic ambitions and the negative consequences thereof for labour market dynamics such as down ward wage pressures unfair competition the abuse of migrant workers and even the long term setback for the children of previously low waged migrant workers imbalances or presumed imbalances between free market mechanisms labour migration policies labour market protection and corrective mechanisms to protect migrant workers thus come to the fore the contributors to this volume will deconstruct some of these imbalances and shed light on its causes consequences and interrelatedness with other factors possible solutions that contribute to a decent labour market in which rights of low waged migrant workers are more respected will be discussed
